Legend:

- Health Event
- Regional Epidemiology and Surveillance Unit
- International Health Regulations

- Acquired Immune Deficiency Syndrome
- Public Health Event of Local Concern
- Public Health Event of Regional Concern
- Public Health Event of National Concern

- Regional Office
- Year to date
- Field Epidemiology Training Program

Event-based Surveillance and Response (ESR) Activity for this month

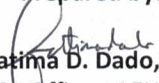

Conduct of Supervisory Visit on the Implementation of Surveillance for Adverse Events among Dengvaxia Vaccinees (AEDV) in RESU-Region VII

- The Supervisory Visit was conducted on April 12 - 13, 2018 in RESU Region VI
- Participants consist of EB-PIDSR staff, EB-ESR officer, RESU Region VII Dengvaxia Surveillance Officers, ESR Point Person, Vicente Sotto Memorial Medical Center Infection and Control Nurse and Medical Doctors
- The activity aims to conduct pilot testing of the proposed Dengvaxia Case Investigation Form (CIF) at Vicente Sotto Memorial Medical Center and to discuss guidelines in reporting AEDV cases through ESR

Conduct of Supervisory Visit on the Implementation of Surveillance for Adverse Events among Dengvaxia Vaccinees (AEDV) in RESU Region VII

Prepared by:

Fatima D. Dado, RN
ESR Officer, AEHMD

Noted by:

Herdie L. Hizon
Supervising Health Program Officer, AEHMD

Mariz Zheila C. Blanco, RN
ESR Officer, AEHMD

Vikki Carr D. de los Reyes, MD, PHSAE
FETP Training Officer, AEHMD

Ma. Nemia L. Sucaldito, MD, PHSAE
Chief, Applied Epidemiology and Health Management Division

Approved by:

Ferchito L. Avelino, MD, PHSAE
OIC-Director IV, Epidemiology Bureau
